Item 2.05. Costs Associated with Exit or Disposal Activities.

On March 12, 2019, the Board of Directors of Rite Aid Corporation (the “Company”) approved a leadership transition and organizational restructuring to better align its structure with the Company’s operations and to reduce costs.

In connection with this restructuring, the Company will make certain changes to management positions and will reduce managerial layers and consolidate roles across the organization, resulting in the elimination of approximately 400 full-time positions, or more than 20% of the corporate positions located at the Company’s headquarters and across the field organization. Approximately two-thirds of the reductions will take place immediately with the balance by the end of fiscal year 2020.

As a result of the restructuring, Rite Aid expects to achieve annual cost savings of approximately \$55 million, of which approximately \$42 million will be realized within fiscal year 2020. These cost savings will serve to offset an expected reduction in income associated with its diminishing obligations under the Transition Services Agreement with Walgreen Co., which related to the prior sale of stores.

The Company expects to incur a one-time pre-tax restructuring charge, consisting of employee separation costs, of approximately \$38 million, approximately \$32 million of which will result in future cash expenditures.

To the extent applicable, the information in Item 5.02 of this report is incorporated by reference into this Item 2.05.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

As part of the leadership transition described in Item 2.05 of this report, the Board of Directors will be commencing a search process for a new Chief Executive Officer. John Standley, the Company’s Chief Executive Officer, will continue to serve as Chief Executive Officer of the Company until the appointment of his successor.

Also, Darren Karst, Senior Executive Vice President, Chief Financial Officer and Chief Administrative Officer, will cease to serve in those roles effective immediately and will be leaving the Company following a transition period.

The Company has entered into Separation Agreements with Messrs. Standley and Karst providing for a general release of claims in favor of the Company consistent with the terms of their existing employment agreements. Amounts payable to Messrs. Standley and Karst in connection with their separations will be governed by their existing employment agreements.

In addition, Kermit Crawford, President and Chief Operating Officer of the Company, is leaving the Company by mutual agreement effective immediately. The Company has entered into a Separation Agreement with Mr. Crawford providing for a separation payment equal to \$5,000,000 payable in equal installments over a 24 month period subject to executing a general release of claims in favor of the Company. Mr. Crawford will also be relieved of his obligation to repay \$520,073 to the Company, which represents the repayment obligation with respect to the cash-based inducement award paid to Mr. Crawford upon his hire.

As part of the announced leadership transition, Bryan Everett has been promoted to Chief Operating Officer of the Company effective immediately. Mr. Everett, 45, joined the Company in August 2015 as Executive Vice President of Store Operations and has served as Chief Operating Officer of Rite Aid Stores since September 2017. Prior to joining the Company, he held multiple senior leadership positions at Target Corporation, ultimately serving as senior vice president of store operations. In that role, he focused on talent management, strategy development, operational efficiency and integrated technology solutions. He also led new format, new store and remodel programs while also overseeing pharmacy and clinic operations. Before joining Target, Mr. Everett also held store operations management positions at Fleming Wholesale and ALDI Inc. Mr. Everett also serves as a member of The Rite Aid Foundation Board of Directors.

Effective as of March 12, 2019, Mr. Everett's annual base salary will be \$750,000. Mr. Everett's target annual bonus opportunity will be set at 125% of his base salary and his target long-term incentive compensation award opportunity will be set at 250% of his base salary.

In addition, Matthew Schroeder has been promoted to Chief Financial Officer of the Company effective immediately. Mr. Schroeder, 49, has served as Senior Vice President, Chief Accounting Officer and Treasurer of the Company since November 2017. Mr. Schroeder joined the Company in 2000 as Vice President of Financial Accounting and served as Group Vice President of Strategy, Investor Relations and Treasurer from 2010 until November 2017. Prior to joining the Company, Mr. Schroeder worked for Arthur Andersen, LLP, where he held several positions of increasing responsibility, including audit senior and audit manager. He also currently serves as treasurer and a member of the Board of Directors of The Rite Aid Foundation. Mr. Schroeder will cease to serve as Chief Accounting Officer and Treasurer.

Effective as of March 12, 2019, Mr. Schroeder's annual base salary will be \$550,000. Mr. Schroeder's target annual bonus opportunity will be set at 100% of his base salary and his target long-term incentive compensation award opportunity will be set at 150% of his base salary.

Brian Hoover has been promoted to Chief Accounting Officer of the Company effective immediately. Mr. Hoover, 54, has served as Group Vice President and Controller of the Company since November 2017. Over the past 24 years, Mr. Hoover has served in various positions of increasing responsibility at the Company in financial analysis, category management and marketing, budgeting and accounting.

Effective as of March 12, 2019, Mr. Hoover's annual base salary will be \$325,000. Mr. Hoover's target annual bonus opportunity will be set at 50% of his base salary and his target long-term incentive compensation award opportunity will be set at 75% of his base salary.

There are no arrangements or understandings between Mr. Everett, Mr. Schroeder or Mr. Hoover and any other person pursuant to which such person was selected as an officer. There are no family relationships between Mr. Everett, Mr. Schroeder or Mr. Hoover and any director or executive officer of the Company. Other than as described below, none of Mr. Everett, Mr. Schroeder or Mr. Hoover has been party to any reportable transactions with the Company pursuant to Item 404(a) of Regulation S-K. Mr. Schroeder's brother is a partner in the law firm of Littler Mendelson P.C. The Company paid the law firm approximately \$1.5 million in fiscal year 2019 for employment and labor legal services. These legal services are provided to Rite Aid on an arm's length basis. Mr. Schroeder has never had any role or involvement in the supervision of these services provided to the Company or in any decisions regarding the retention of Littler Mendelson. The Company's relationship with Littler Mendelson pre-dates Mr. Schroeder becoming an executive officer of the Company. The Nominating and Governance Committee has reviewed the Company's ongoing relationship with Littler Mendelson to ensure that it remains in the best interests of the Company.
